PROGRAM DESCRIPTION

PTP's Elevate program gives you in-demand knowledge and skills to land a career in one of Ontario's largest and fastest growing industries.

Program curriculum includes:

- COVID-19 Safety Measures
- Good Manufacturing Practices (GMP)
- Food Handler Certification
- Infection Prevention and Control (IPAC)
- Workplace Hazardous Materials Information System (WHMIS)
- Cleaning and Sanitizing Procedures
- Hearing Protection
- Heat Exhaustion
- Back Injury Prevention
- Forklift/Lift Truck Safety Awareness
- Lock Out, Tag Out (LOTO)
- Occupational Health and Safety

WHY REGISTER?

Acquire training virtually from home (Mon - Fri, 9:30 am - 12:30 pm, plus 10 hours of self directed learning).

Obtain 25+ industry recognized certifications that sector employers need and want!

Graduate in only 10-weeks with a micro credential employers will value.

Receive 6-months of support to secure and maintain a job within the sector.

Access connections to industry employers, including world-renowned food and beverage manufacturers.
